" measures now adopted will effectually suppress that Spirit
" of insubordination which has Manifested itself among the
" Cadets at the Institution established at *Baraset*, and tend to
" Check a similar disposition in the Cadets at your Presidency,
" as none will in future proceed to *India* without being fully

" Contrary to our hope and expectation, any of the Cadets

For infamous Conduct, calculated to create discontent, and tending to the entire subversion of good order and Military discipline in having communicated to me, as Officer Commanding the 2d Battalion 7th Regiment in a Malabar Paper and Verbally, as complaint, the following false and Malicious statements of un Officerlike Conduct in Jemadar Venkety Sawmy Native Adjutant 2d Battalion 7th Regiment Native Infantry, as also set forth in the 2d and 3d Charges.

CHARGE 1st. For falsely and Maliciously Asserting that in consequence of the Serjeant Major's having recommended him Jemadar Venkety Sawmy for promotion, he (the Jemadar) had Ordered a Havaldar, a Naigue, and a number of Sepoys to work at building the Serjeant Major's House, without the knowledge of the Gentlemen, meaning thereby the Commanding Officer and the European Officers of the Corps.

That Doondia Mootoo Sepoy Grenadier Company never went on Guard, insinuating that he was excused in consequence of attending the Jemadar's Horse.

That

That in consequence of several Sepoys having been employed in building the Jemadar's House, he always heard and enquired properly into any Complaints made by them, but that when others made complaints he would not pay proper attention to them, or explain them properly to Gentlemen, meaning thereby the European Officers.

For falsely and Maliciously Declaring that Mootian Drummer 2d Company told him, if he could get 4 Pagodas he would give it to the Jemadar to endeavour by that means to procure a Prisoner's enlargement, and that he had given a Sepoy 4 Pagodas who had delivered it to the Drummer for the abovementioned purpose.

That Mootian Drummer 2d Company had carried Money with a basket of fruit &c. to the Jemadar's house, for the purpose of inducing him to interest himself in the procuring the enlargement of a Prisoner.

That Mootian Drummer 2d Company had at the time Paupoo 6th Company Naig was a Prisoner caused to be up with the Money he received from a Sepoy named Anthony and had put upon the wrists of one of the Jemadar's Children a pair of Silver bangles, for the purpose of inducing him to interest himself in procuring the abovementioned Naig's release.

That the Jemadar had received from Cootee Sepoy 3d Company a Bribe of 7 Rupees.

That when the Christians required leave if they made the Jemadar a present he applied for them but that otherwise he would not apply.

That the Jemadar interpreted falsely any thing he told him.

That with the Jemadar's knowledge two Sepoys did not go on Guard on account of being employed by the Serjeant Major.

That the Jemadar had tampered with several Witnesses for the purpose of suppressing their Evidences.

That several small Presents of Fruit &c. customary marks of respect, were bribes received by the Jemadar Adjutant.

CHARGE 2d.—For Falsely and Maliciously asserting that Subadar Venketachellum had tampered with and endeavoured to suppress the Evidence of Venkety Sawmy Sepoy of the 7th Company.

CHARGE,

CHARGE 3d.—For Gross insolence and disrespect to the Court of Enquiry assembled to investigate his statements.

By order of the Honorable the Governor in Council.

(Signed) G. STRACHEY,

SEC. TO GOVERNMENT.

By order of the Commander in Chief.

HEAD QUARTERS: CHOULTRY PLAIN, *20th October* 1808.

G. O. BY THE COMMANDER IN CHIEF.

The following Extracts from the confirmed Proceedings of a General Court Martial assembled in the Cantonment at *Wallajaubad* on Monday the 3d of October 1808—and continued by several adjournments 'till Monday the 17th of the same Month—in virtue of authority from His Excellency the Commander in Chief, and of which Major Mackellar of His Majesty's 1st (or Royal) Regiment is President, are published to the Army.

Lieutenant and Adjutant R. P. Molesworth of the 1st Battalion 18th Regiment of Native Infantry Ordered in arrest by me on the following Charges.

1st.—For disrespectful Conduct towards me his immediate Commanding Officer, in encouraging his Orderly to take to his Quarter, by threats, and force, two Bullock Bandies from amongst others, which the Servants of Police had collected near the Main Guard in the Garrison of *Tripassore*; for myself and such Officers and Men as made known to me (conformable to a request inserted in the Orderly Book) the Carriage they required for the March to *Wallajaubad*, amongst whom Lieutenant Molesworth was not of the Number who had done so.

2d.—For Conduct unbecoming the Character of an Officer in keeping the above said two Bandies in defiance of my Orders, after I had sent for, and given him an opportunity of convincing himself by a Police Peon, of their having been sent to me for the purposes stated in the 1st Charge.

3d.—For obstinately persisting in his former Resolution of not returning the above two Bandies, when I sent the Officer of the Day to him, after having given him upwards of an hour to consider the matter; thereby Evincing a Contempt of my Authority.

TRIPASSORE,
21st August 1808.

(Signed) EDWARD BOARDMAN, *Captain*
In Charge of the 1st Bat. 18th Regt. N. I.
and Commanding at Tripassore.

COUNTERSIGNED BY ORDER.
(Signed) F. CAPPER,
Adjutant General.

Sentence.

SENTENCE.—The Court having maturely weighed and considered all that has appeared before it, in support of the Prosecution, as well as what the Prisoner has urged in his defence, is of opinion, that the Prisoner Lieutenant R. P. Molesworth is Not Guilty of the 1st Charge viz. ("For " disrespectful Conduct, towards me his immediate Com" manding Officer, in encouraging his Orderly to take " to his Quarter, by threats and force, two Bullock Bandies " from amongst others which the Servants of Police had " collected near the Main Guard, in the Garrison of " *Tripassore*; for myself, and such Officers and men as " made known to me, (conformable to a request inserted " in the Orderly Book) the Carriage they required for the " March to *Wallajaubad*: amongst whom Lieutenant " Molesworth was not of the number who had done so") *and acquits him accordingly*.

The Court is of opinion that the Prisoner is not Guilty of the 2d Charge viz. ("For Conduct unbecoming the Cha" racter of an Officer in keeping the above said two Ban" dies, in defiance of my Orders, after I had sent for, " and given him an opportunity of convincing himself, by " a Police Peon, of their having been sent to me for the " purposes stated in the 1st Charge") *and acquits him accordingly*.

The Court acquits the Prisoner of the 3d Charge viz. ("For obstinately persisting in his former resolution of " not returning the above two Bandies, when I sent the " Officer of the Day to him, after having given him up" wards of an hour to consider the matter; thereby evincing " a contempt of my authority:") in as much as it is of opinion that the detention of the Bandies did not proceed from any Contempt of the Prosecutor Captain Boardman's Authority evinced by the Prisoner: but from a persuasion that the Bandies did belong to him.

The Court is also of opinion, that the first Charge is totally groundless, because no proof has been adduced in support of the accusation of disrespectful Conduct as specified in that charge.

(Signed) NEIL MACKELLAR,
Major, 2d Bat. Royal and President.

(Signed) C. J. BARROW, *Judge Advocate.*

APPROVED AND CONFIRMED. (Signed) HAY MACDOWALL.

22d *November* 1808.

Fort St. George, 20th November 1808.

G. O. By Government.

His Majesty having been graciously pleased to extend to the Royal Artillery the benefit of the increased Rates of Pay granted to certain Classes of His Majesty's Troops, the Honorable the Governor in Council has resolved that the same indulgence with respect to the rates of Pay, as by the G. O. of the 20th May 1808, were authorized to be granted, conformably to His Majesty's Warrant, to the Non-Commissioned Officers and Privates of His Majesty's Army, and to those of the Honorable Company's European Infantry serving under this Presidency, shall be extended to the Corps of Artillery upon this Establishment, and that they shall have effect from the 1st July 1806, the date of the encrease to the Royal Artillery.

The

The annexed Table contains the new rates of Pay to the European Non-Commissioned Officers and Privates of the Artillery, according to the foregoing Resolution.

The Commanding Officer of each Company of European Artillery will accordingly prepare, and transmit through their respective Paymasters for Audit, an Abstract of the Arrears of difference of Pay to which the Non-Commissioned Officers, and Privates, of the Companies of Artillery under the new Regulation may be entitled, from the 1st of July 1806, to the 30th Instant, and the encrease is afterwards to be drawn with the Pay, at the rates contained in the Table—each Class to be stated separately in the Pay Abstracts.

The Commanding Officer of each Company of Artillery will transmit with the least practicable delay to the Office of the Major of Brigade of Artillery, a long Roll, which shall include the name of every effective Non Commissioned Officer, and Private of the Company under his Command, stating the date of his entrance into the Artillery, and adding thereto, such Remarks relative to former Service, as may tend to establish Claims to the encreased Rates of Pay under His Majesty's Regulations, contained in Letters from the Secretary at War dated the 29th July 1806, as stated in the following Paragraphs·

These Rolls after having been carefully examined and compared with the Register in the Office of the Major of Brigade of Artillery, and duly corrected by him, are to be countersigned by the Commandant of the Battalion of Artillery, and transmitted to the office of the Military Auditor General.

" In regard to the additional Allowance to Corporals, Bom-
" bardiers, and Privates, after Seven and Fourteen years Service
" respectively, it is to be understood, that previous Service in
" any Corps of Regulars, or in any Fencible Corps, liable to
" serve out of *Great Britain*, *Ireland*, and the Islands in the
" *Channel*, is to be taken into Account, in estimating the
" Claims of the Men to the said Additional Allowance."

" Men discharged at the late Peace, or at any other period,
" and who have since entered into the Madras Artillery, are
" entitled to Claim the benefit of their antecedent Service in
" Corps of the above description."

" But Service in the Militia or any Corps of Fencibles, not
" liable to serve out of *Great Britain*, *Ireland*, and the Islands

" in

" in the *Channel,* is not to be considered as making any part " of the Service entitling the Men to the said Additional " Allowances."

" Former desertion is not in any respect to affect a Man's " Claim to the Allowances in question.—But desertion occur- " ing subsequently to the 1st of July 1806, will deprive a " Soldier of all title to the said Allowances from antecedent " Service."

" In the case of Men who have been Pensioned, either from " the Ordnance or *Chelsea,* and who have since entered into " the Madras Artillery, the time during which such Men were " on the Pension, is to be taken into Account in estimating " their Claim to the Additional Allowances, two years thereof " being reckoned as one of Actual Service, and the same in " proportion for any longer or shorter period."

The Commanding Officer of each Company of Artillery is enjoined to pay the strictest attention to the foregoing Rules, by which the Claims of Non-Commissioned Officers, and Privates respectively according to length of Service are to be determined, and to satisfy themselves as far as may be practicable, of the just pretensions of each Individual to receive the Augmented rate of pay, founded on his former service in other Corps, and when such Claim cannot be exactly ascertained, payment thereof is to be suspended until the necessary information, or special Authority, shall have been obtained.

The Governor in Council is also pleased to extend the same indulgence relative to the encreased rates of Pay to effective Non-Commissioned Officers and Privates of Artillery who may be employed in Staff Situations, according to their length of Service, which are to be drawn in conformity to the foregoing Rules.

HEAD QUARTERS: Choultry Plain, *7th December* 1808.

G. O. By the Commander in Chief.

The extent of authority that Officers in the temporary charge of Corps of Native Infantry can be entitled to exercise not being

being generally understood, the Commander in Chief is pleased to publish the following outline for their guidance.

The Senior Officer actually present with a Corps, whether in a collected or divided State, is in the general charge of the Corps, and during such charge he is to watch over the punctual execution of every part of the Standing Orders—as he is responsible to his Lieutenant Colonel, as well as to the Officer Commanding the Station, District or Division for the conduct of the Officers, Non Commissioned Officers, and Soldiers; in short for the whole management of the Corps.

He has no power to change, or to act in opposition to any Order, or to deviate from any established custom that has prevailed in the Corps without the Sanction of the Lieutenant Colonel to do so: if he should find from his own experience that any custom of the Corps is defective, he must report it to the Lieutenant Colonel, in Order that it may be changed if thought necessary and proper; but 'till his directions are received, the Officer in charge cannot by his own Authority suffer any alteration to take place: and in such cases the abolition of one custom, and the introduction of another must be entered in the Daily Orderly Book.

After the most scrupulous attention to provide for every part of the detail, there may arise local circumstances in a Station which have not been foreseen, in which case the Officer in Charge of the Corps must of course be at liberty to adapt the Orders to them as well as he can, reporting the same to his Lieutenant Colonel if the deviation is at all material.

As to all Orders that the Officer in charge of a Corps may receive from the Adjutant General's Office, or the Officer Commanding the Station—District or Division he will of course comply with them, and see them executed to the best of his judgement, keeping always closely in view the Standing Orders of the Corps which is to be the general guide for his conduct—providing as it does, for almost every detail—and affording general principles for every circumstance that is likely to occur.

Very few circumstances can render it necessary for the Lieutenant Colonel when absent from his Corps to send Orders to it; but being in *India* such as he may think it indispensably requisite to forward to the Officer in charge respecting its interior arrangement must be immediately complied with;

provided

provided that such Order does not in any case interfere with the Regulations or Orders of Superior Authority.

In the event of any such interference, the publication is to be suspended, and the cause to be immediately reported to the Lieutenant Colonel.

In the absence of the Lieutenant Colonel of a Corps from the Territories Subject to the Presidency of *Fort St. George*, the same degree of authority rests with the Senior Officer actually present within the Territories, however employed.

The Colours of a Corps shall, in the absence of the Lieutenant Colonel, be lodged in the Quarters of the Senior Officer in charge; but the Colours are not in any case to be removed from one Station to another in consequence of the temporary charge devolving to an Officer who may be detached.

Officers under the Rank of Lieutenant Colonel in charge of Corps are to be designated "the Senior Officer in Charge"—and shall officially sign themselves as such.

The 19th, 20th, 21st and 22d Paragraphs under the head "General Regulations"—Section 18th of the Code of Regulations are explicit respecting the general powers of Officers Commanding, or in Charge of Corps.

The powers, and authority of Colonels of Regiments are too well known to require any explanation.

The above general outline is to be considered equally applicable to Regiments of Native Cavalry— and to the Madras European Regiment.

HEAD QUARTERS: CHOULTRY PLAIN, *8th December* 1808.

G. O. BY THE COMMANDER IN CHIEF.

The Honorable the Governor in Council having received an Official

Official Report of the equipment of the Detachment of Native Cavalry which has been recently Ordered to proceed on foreign Service, The Governor in Council has observed with great satisfaction the alacrity in volunteering for the intended Service, by which the Native Officers and Men Composing the details furnished from the several Regiments have been generally distinguished—The Governor in Council considers this expression of public approbation to be particularly due to the details furnished from the 5th and 7th Regiments of Cavalry; and the promptitude with which the latter of these details was prepared for immediate movement, reflects the highest credit on the discipline and efficiency of the Corps to which it belongs.

The Governor in Council has also observed with particular satisfaction by a Report from His Excellency the Commander in Chief, that the whole of the Native Corps stationed at *Wallajahbad*, being the 2d Battalion of the 15th, the 1st Battalion of the 18th, and the 2d Battalion of the 25th Regiments, had Volunteered for Foreign Service, under the impression that their Services would be required for that duty.

G. O. BY GOVERNMENT.

Inconvenience having been experienced by the Families of Troops employed on foreign, or on Field Service, in consequence of the irregular receipt of remittances arising from the Stoppages of Pay of the Troops to answer the Corresponding Monthly Payments, on account of Family Certificates—The Honorable the Governor in Council in Order to obviate such inconvenience in future, has been pleased to resolve, that when remittances shall not have been received on or before the 20th of the Month, Officers whose duty it may be to pay the Families, shall then consider themselves authorized to draw sums in advance, equal to the amount of Family Payments of the preceding Month, which they will be required to repay and adjust on receipt of the remittances—with these advances the family Payments are immediately to be made—And should there be any difference between the amount of remittances and the Payments made on that account in the preceding Month, unexplained by the Officer making the remittance, the Paymaster of Family Certificates or Officer so Employed is without Loss of time to call for such Explanation and the Paymasters of Family Certificates are hereby directed to report to the Military Auditor General every three Months viz. on the 1st of January, 1st of April, 1st of July and 1st of October; any deficiencies which may have arisen between the amount of their receipts and Payments in order that the same may be

submitted

submitted to the Honorable the Governor in Council for adjustment; they will also report to the Military Auditor General at those stated periods, the amount of the sums received in advance.

Officers appointed for the Payment of family Certificates are to keep regular Monthly Accounts of their receipts and Payments—under such instructions as the Military Auditor General may occasionally find it necessary to transmit to them.

As by the foregoing provision the regulations published in G. O. on the 2d of April 1805, are rendered applicable to Troops on foreign Service, it is ordered that the different Officers Commanding Corps and Detachments which have recently Marched on such Service, and all those which may hereafter be Employed beyond the Territories Subject to this Presidency, shall consider it their special duty to avail themselves of every favorable opportunity to forward the remittances on account of the Families.

It may however frequently happen, that opportunities do not occur for the regular transmission of Bills, it is therefore directed that in such Cases, Officers shall notwithstanding obtain drafts from Paymasters or others for the amount of each Month's family payments separately, which with the Corresponding Rolls of family Certificates are to be forwarded as opportunities may offer—By this measure, although the remittances of two, three, or more months, may be transmitted by the same dispatch, yet the Bills and Rolls of each Month will appear distinct from each other, which is indispensably necessary, for the keeping with precision the accounts.

The Bills to be remitted on account of Family Payments, to be expressed in the Current coin of this Presidency viz. Pagodas, Fanams, and Cash.

In the event of the Troops being employed under the Orders of any of the other Presidencies and paid by Paymasters not subject to the Regulations of the Madras Government, the Honorable the Governor in Council will take measures to facilitate the obtaining of Bills by Officers for the purpose of remitting the amount of the Stoppages of the Troops under their Command.

The Family Certificates of the few Troops who will remain at the Eastern Settlements, will continue to be paid as formerly.

Agreeably to the above Regulations, Paymasters are directed

to

to make the necessary advances when required, on account of Family Payments, for which they will take Receipts, and place the amount to the personal debis of the Officers drawing the Advances.

Officers making remittances to accompany them with a letter stating the date of dispatch.

The G. O. of the 2d April 1805, relating to the payment of Family Certificates to be adhered to, in all other particulars.
